

Watch out for Lyme awareness events in May 2014! The Worldwide Lyme Awareness Project WWLAP is about to occur for the second year running. Our aim is to make this an annual event that is recognised nationally and we would love you to be a part of it in anyway that you can.

*Dear* Lymelighter,

## Let's Make Australia 'Lyme Aware'

### The Worldwide Lyme Awareness Project May 16th -18th 2014

The Worldwide Lyme Awareness Project (otherwise known as The WWLAP) is being held in May 2014.

We are hoping to build on last year's success and YOU can help us do that!

How can you be involved?.....

1) Find out if there is an event in your community or your capital city and see if you can volunteer with preparations or at the event.

2) Find out if there is an event near you, put it in your diary and attend it - this will be a great way to support the cause.

3) Hold your own event in your home town, it's easy!

- If you have any questions feel free to email us at: [connect@lymeactionaustralia.com](mailto:connect@lymeactionaustralia.com)
- If you would like to know more about the WWLAP or would like to look up events in Australia visit our website here: [www.lymeactionaustralia.com](http://www.lymeactionaustralia.com) or our Facebook page here: [www.facebook.com/WorldwideLymeProtestAustralia](http://www.facebook.com/WorldwideLymeProtestAustralia)
- You can also stay connected, get the latest information and learn about events by liking our facebook page here: [www.facebook.com/WorldwideLymeProtestAustralia](http://www.facebook.com/WorldwideLymeProtestAustralia)

If you'd like to create an event remember: Your event does not have to be big to be successful! A table, some brochures and some family or friends to attend your stall and talk to people as they pass by, will raise awareness and save lives!

The link here to the "[Seven Steps to Holding a WWLAP](#)" will give you all the information you need to you get your event underway.....

Note: feel free to share this newsletter with all your email contacts or print it out and put it on notice boards too - help spread the word about the WWLAP!

### Lymelighting

Lymelighting is a term we used for getting buildings lit up green for the WWLAP last year. If you have an idea for a lymelight venue in your community or state, just email the Lymelight committee at: [nationalcoordinator@lymeactionaustralia.com](mailto:nationalcoordinator@lymeactionaustralia.com)

- It may be a town hall, library, mall, plaza, town square, park, garden, statue or any iconic building or structure in your area.

Lymelight Australia for Lyme awareness May 16th - 18th 2014!
