## 2013 Patient Survey - Closes October 31st

*Dear Lymelighter,*

## LDAA Lyme Patient Survey 2013 Closes October 31st - 48 hours to go

Hey! We're getting closer to our projected number of respondents for the survey...

**BUT nearly 50% of our surveys have been completed in the last 48 hours!**

So, we're reaching out as a final prompt / reminder - just in case it's slipped your mind... or you can't resist that last minute rush!

### **FAQ's**

If you completed it last year - still please complete this year

If you're uncertain of any answer, just keep going, or mark unsure and you can go back to it at a later date

If you need help to complete the survey, just contact us and we'll call and walk you through it or complete for you!

Contact us at [info@lymedisease.org.au](mailto:info@lymedisease.org.au) and we'll endeavour to get your questions answered

This survey is vitally important in terms of ensuring changes to government and medical policy because we must be able to demonstrate the number of Lymies in Oz. No-one else is keeping count and it's hard to convince policy-makers we need change if we can't demonstrate the severity of the problem. It helps us determine geographical hot spots which will then help us develop targeted tick bite prevention and awareness campaigns.

Please also contact any other Lymies you know and ask them if they've done the survey yet.

**Remember - Lyme Awareness Saves Lives...** this information is invaluable in assisting us to campaign for adequate and effective diagnosis, treatment and care for Lyme patients in Australia.

Thank you and best wishes,  
Sharon
